	Knowledge: Graduate knows and understands	Descriptor symbol	Descriptor symbol
K_W01	situates anthropology in relation to the sciences and understands the specific and methodological specificity of anthropology, taking into account the integrated nature of applied anthropology	P6U_W2	P6S_WG1
K_W02	knows the terminology in the field of anthropology in English and in the basic range in languages implemented as part of education	P6U_W1	P6S_WG1
K_W03	has ordered basic knowledge of basic disciplines for anthropology	P6U_W1	P6S_WG1
K_W04	knows the methodology of scientific research, especially in humanities and social sciences	P6U_W1	P6S_WG1

K_W05	discusses the current state of civilization in many aspects; this knowledge covers the area of the hottest outbreaks of social, political and religious conflicts, humanitarian crises, with a special emphasis on knowledge of global institutions and remedial methods	P6U_W2	P6S_WK1
K_W06	describes the importance of ethical principles in scientific research and ethical and legal conditions in the field of research activities, including the principles of entrepreneurial activities in the application of the anthropological significance of the "Good Life" principle	P6U_W2	P6S_WK2 P6S_WK3
K_W07	knows the legal and organizational norms and rules governing the institutions supervising activities in the field of anthropology	P6U_W2	P6S_WK2
	Skills: a graduate can	Descriptor symbol	Descriptor symbol
K_U01	integrates knowledge in the field of various scientific disciplines about human beings, especially those that are part of the functioning in the world of biological and linguistic anthropology, archeology, and especially emphasized due to the objectives of the direction of socio-cultural anthropology and in addition philosophical anthropology	P6U_U1	P6S_UW1
K_U02	names the observed phenomena and formulates research problems, uses the right research tools, and if necessary flexibly treats existing ones or constructs new research tools	P6U_U1	P6S_UW1
K_U03	selects the appropriate methods; uses the methodology of humanities and social sciences, including collects ethnographic and sociological data, translates oral and written statements	P6U_U1	P6S_UW1
K_U04	selects, develops, presents and interprets research results, draws conclusions, indicates directions for further research within the selected specialty in the form of a plan	P6U_U2	P6S_UW1
K_U05	prepares and edits the project, writes a research report and prepares a scientific text	P6U_U3	P6S_UW1
K_U06	communicates with specialists from various anthropological areas and with other target groups, using various languages, techniques and communication channels; can listen, speak, arguing carefully, uses language and terminology that is both specialized and relevant to the target group	P6U_U3	P6S_UK1
K_U07	perfects interpersonal and intercultural communication skills; undertakes intermediary activities between individuals and groups from various social or cultural environments	P6U_U2	P6S_UK2
K_U08	prepares a project of research activities and social projects, and a report on its implementation	P6U_U1	P6S_UK1
K_U09	prepares a written essay, creates a multimedia presentation and an oral speech in the field of anthropology and dimensions of the application of anthropological theories	P6U_U3	P6S_UK3

K_U10	knows and uses a modern foreign language at a level enabling translation into native language (and vice versa) of texts in the field of anthropology; can prepare a conference poster and multimedia studies in a foreign language	P6U_U2	P6S_UK2 P6S_UK3
K_U11	translates and completes basic legal forms in the field of immigration law (using English and the necessary language of the local community)	P6U_U1	P6S_UK1
K_U12	knows and uses at least at a basic level (A1) at least one modern language of non-Western culture (Arabic / Chinese), for the purpose of daily communication with representatives of these communities	P6U_U3	P6S_UK1
K_U13	knows and applies at least at a basic level (A2) the second modern language of Western culture	P6U_U2	P6S_UK1
K_U14	has developed skills in interpersonal and intercultural communication; recognizes social problems, designs activities and prepares the environment for communicative purposes, mitigating social conflicts, leading to settlement	P6U_U1	P6S_UO1
K_U15	plans and organizes targeted activities, implements them as a leader or active participant in the executive team	P6U_U1	P6S_UO1
K_U16	evaluates and draws conclusions from the completed project	P6U_U2	P6S_UO1
K_U17	Communicates the results of research and activities to specialists from a wide area of sciences related to anthropology and other target groups, speaks and argues his views in a precise manner, uses specialist terminology and methods of expression corresponding to current situations	P6U_U3	P6S_UO1 P6S_UK1
K_U18	integrates various anthropological approaches and concepts, and related disciplines, including ways of communication in everyday life	P6U_U1	P6S_UO1
K_U19	realizes project goals independently or in a group, effectively cooperates in a group, takes active roles in a team	P6U_U1	P6S_UO2
K_U20	inspires and organizes learning and manages the activities of others	P6U_U2	P6S_UO1
K_U21	independently plans and implements expanding their knowledge and developing professional skills, using various sources of information (in English, native and foreign) and modern technologies (ICT)	P6U_U2	P6S_UU1 P6S_UW1
	Social competence: a graduate is ready to	Descriptor symbol	Descriptor symbol
K_K01	coordinates the process of acquiring knowledge, continuous education, improving competences, acquiring new, flexible skills, enriching knowledge required in research situations and the work of an anthropologist	P6U_K2	P6S_KK1

	involved in intercultural social activities		
K_K02	takes care of maintaining methodological standards in research, openness and sensitivity to problems in the field of human and social sciences and making independent attempts to develop them	P6U_K1	P6S_KK1
K_K03	is open and critical to new ideas, concepts, theories and arguments; understands how different perspectives for perceiving reality work and various cognitive and life contexts of communities, especially as communities from countries or cultures other than anthropologist	P6U_K2	P6S_KK1
K_K04	creatively uses acquired knowledge and skills to solve theoretical and practical problems of the community in which the anthropologist works, in justified cases he consults experts	P6U_K2	P6S_KK2
K_K05	actively participates in discussions and social activities in the intercultural context, in personnel crisis in the work environment	P6U_K2	P6S_KO1
K_K06	is involved in intercultural social activity, preparing pro-social and integration projects (especially in the intercultural contexts of excluding refugees and immigrants)	P6U_K2	P6S_KO1
K_K07	participates in public debates, adhering to the formal and substantive requirements of the discussion; can adapt the information transfer to the recipient	P6U_K2	P6S_KO1
K_K08	diagnoses and inspires the need for pro-social activities, especially in the intercultural context, promotes scientific knowledge in the contexts of various cultures and communities, especially groups excluded for social, political or economic reasons	P6U_K2	P6S_KO2
K_K09	manages knowledge and skills to meet immediate needs for the highest efficiency in problem solving	P6U_K2	P6S_KO3
K_K10	designs research activities and practical plans to adapt the theory	P6U_K2	P6S_KO2 P6S_KO3
K_K11	inspires, organizes and manages the activities of others	P6U_K2	P6S_UO1 P6S_KO3
K_K12	applies the basic principles of research work ethics as a committed anthropologist, draws conclusions from negative practices, improves incorrect decisions and projects, applies "best practices" in the field of anthropology, also as a discipline whose research has a special nature of social application	P6U_K1	P6S_KR1

iIn the case of programmes assigned to more than one disciplina leading disciplines should be indicated.

ii Universal first stage descriptors for PRK levels 6-8 – Act of 22 December 2015 on the Integrated Qualifications System (Journal of Law of 2016, item 64).

iii Second stage descriptors for PRK levels 6-8 typical for qualifications awarded by higher education institutions – Regulation of MNiSW of 14 November 2018 r. - part I.
